## 'Tis the Season to Celebrate... and NETWORK!

### *Celebrating with Fun, Food, Frolic & Networking at Unusual Designs...*

Don't miss this great opportunity to meet with PWN members and spouses/significant others for a fun time of food, frolic and...networking. Andrea Fitzgerald, owner of Unusual Designs, will be hosting our Holiday Party this year at her beautiful showroom in Oyster Point. Andrea is a graduate of Virginia Commonwealth University where she majored in Interior Design. Along with her partner, Anne Fitch, Andrea launched Unusual Designs in March of 2000. They moved to their current location this spring. Unusual Designs is a full service interior design and retail shop, specializing in window treatments, blinds, accessories, furniture, bedding, decorative paintings, etc. Andrea is more than pleased to welcome the PWN community for our holiday celebration.

PWN will be sponsoring this event which means all you need to bring is yourself and spouse/significant other. Food, spirits and beverages will be provided by PWN. In the spirit of holiday giving, there will be *NO COST* to members and spouses (and significant others), so be sure to join us for this great social. And remember, getting to know your fellow PWN members better is a great way to network...see you there.
